

CLOTHING FOR JOHN BEAR'S NURSERY

A few notes regarding clothing:

- Please can you ensure that you NAME the clothes your child wears to Nursery, especially jumpers and cardigans.
- Children shall be wearing the outdoor shoes they have worn to Nursery whilst they are inside. For those who have had children attending the Nursery before, we have made the decision to not ask for indoor shoes such as plimsoles. We hope this will prevent messy peg areas, as these areas will NOW be situated within the main rooms.
- All children will be required to bring and leave a NAMED pair of welly boots at the Nursery. These shall be worn whilst using our outdoor area and the children won't be able to play outside if they don't have wellies. In September please hand your child's welly boots to a member of staff who can check them in and tick you off the list.
- Whilst your child plays outside there will be messy play resources such as mud and water available and we encourage all children to explore these if they choose to. We do provide aprons for them to wear, however please ensure that you send your child in clothes that you do not mind possible getting a little bit messy. All children will be required to have a full set of clothes that are kept at Nursery in a small bag upon their peg which will need to be replenished if used, and suitable for the different seasons/weather in the year.
- Please do speak to a member of staff if you have any questions.
