

## Parent Support Advisor

**Parenting isn't easy and sometimes things can get tough.  
As a parent/carer you want what is best for your child.**

**Our Parent Support Advisor is available to listen and support your family with any issues or concerns from home or school you may be facing.**

She may not have all of the answers, but she can offer:

- A confidential listening ear
- Help to enable you to express your concerns about your child to the school and act as a link between school and home
- Support and advice if you have concerns about your child's social, emotional or behavioural development, helping you to nip things in the bud before they get serious
- Support with transition – as they start or move between schools
- Give hints and tips about general parenting issues
- Help to find services and other agencies who are available to help you and your family
- Help with issues around school attendance
