

Tapestry

Autumn 2022

Using Tapestry

We love to celebrate and share the children's learning at nursery and Tapestry is a great tool for us to use for this. Thank you to those of you who have activated your accounts; if you are unsure how to do this and need some help then please do let us know.

Feedback

Please do use the 'like' thumbs up button and add your comments to the observations of your child as it is lovely to have your feedback.

Sharing on Tapestry from home

Tapestry is also great because it allows you to share any photos of 'wow moments' or exciting news and adventures from home with us. 'Wow moments' might be when your child does something themselves for the first time e.g. doing up their own zip on their coat or riding their bike independently. As nursery staff it is really helpful for us to find out more about your child's activities, interests and development at home.

Home Activities

We will use Tapestry to share home activities that will link with our learning at nursery. Please do share any photos or feedback from these on Tapestry as well.

Sharing information on Tapestry

Tapestry will also be used as a platform to share helpful information about our teaching and learning at nursery and to share stories and other resources which we think will be useful, so please do keep a lookout for these.

Focus weeks

Whilst we aim to add an observation each week for children on Tapestry, during their focus week our observations will only be in paper format to add on their focus sheet. We will then arrange to meet with you to share the focus sheet with you.

Help with Tapestry

Please do ask a member of staff if you are having any issues accessing or using Tapestry and we will be happy to help.
